

# Tong Ge

---

(702) 497-4106 | tongge0130@gmail.com

## EDUCATION

**Bachelor of Science in Informatics – Specialization in Human Computer Interaction**

**Bachelor of Arts in Education Sciences**

**Minor in Business Management | University of California, Irvine**

SEPTEMBER 2017 – JUNE 12<sup>TH</sup> 2021 (GPA: 3.5)

## EXPERIENCE

**Retail Sales Consultant - Part Time | Swarovski**

AUGUST 2021 – PRESENT

Responsibilities include developing authentic relationships with the consumer by assessing their needs, making personalized product recommendations, creating a luxury experience, multitasking, and being able to work under pressure.

**MedLance Frontend Developer | Startup**

OCTOBER 2020 – PRESENT

MedLance is a medical device freelancing platform me and several others are working on. We work using agile software development and currently have launched our beta site. My responsibility includes UI/UX design, frontend software engineering, and troubleshooting/debugging the platform. Check out our Beta Site at [www.medlance.co](http://www.medlance.co)

**Blackstone Launchpad Fellow - Summer 2021 Cohort | Blackstone Launchpad at UCI**

JUNE 2021 – AUGUST 2021

An 8-week selective student entrepreneurship program focused on delivering entrepreneurial resources, mentoring, workshops, and support.

**Project Specialist Intern | Ericsson**

JULY 2020 – JULY 2021

Responsibilities include shadowing project managers, interviewing employees, researching and presenting data, updating documents, and assisting employees whenever needed. I learned how large organizations operate, how business is actually being done, what makes teams effective, and what kind of ideas work in large organizations.

**Emoji App Backend Developer | Sponsored Senior Design Project**

JANUARY 2021 – JUNE 2021

This project is sponsored by Kneron, an AI development company. We built a mobile application that apply computer vision techniques to transform user expression into emojis. My responsibility includes facial recognition, mapping user expression to avatar, connecting to APIs, and data processing.

**Summer Residential Teaching Assistant | University of California, Irvine (Upward Bound)**

JUNE 2019 – JULY 2019

Upward Bound is a federally funded TRIO program that provides educational assistance; academic advisement; college and career planning; educational and cultural fieldtrips; and tutoring to low-income, first generation high school students. As an RTA, I am responsible for designing math course material, organizing events, as well as tutoring and mentoring program participants.
